

# Curriculum Vitae Achille Giacometti

## PERSONAL DATA

Office Address: Dipartimento di Scienze Molecolari e Nanosistemi, Edificio Alfa Campus Scientifico, via Torino 155, Venezia-Mestre 30170

Telephone: +39 041 234 8685 Fax: +39 041 234 8594

Email [achille.giacometti@unive.it](mailto:achille.giacometti@unive.it)

Webpage (institutional) <http://www.unive.it/data/persone/5591670>

## EDUCATION

### PhD in Physics

**Purdue University | West Lafayette, Indiana USA**

Supervisor: Professor Hisao Nakanishi

### Laurea (MS) in Physics

**Universita' di Padova | Padova, Italy**

Supervisor: Professor Attilio Stella

## CURRENT POSITION

Professor (Full) of Condensed Matter Physics

Universita' Ca' Foscari Venezia

Director of the [European Centre for Living Technologies \(ECLT\)](#), an international network of **18 international institutions and research centers** established in **2004** and having Ca' Foscari University of Venice as a host institution, and dedicated to the study of **complex systems**.

## PAST TEMPORARY POSITIONS

1994-1995 Marie Curie EU fellow | Forschungszentrum (IFF-FZ) Jülich, Germany

1995-1996 Post-doc | SISSA Trieste, Italy

## RESEARCH ACTIVITIES

### Present and past research topics

**Present research** includes statistical mechanics of liquid crystals, proteins and polymers. **Past research** included renormalization group and integral equations techniques, interface dynamics, complex networks, and diffusion in random media.

### Research group directions

Member of the NCC Governing Board of the [European Network SoftComp](#) an international center integrating nearly 50 research groups leaders in the field of Soft Matter from 36 different European institutions

### Visiting and Research short term positions

Visiting Professor/Scientists at the Universities of Barcelona and Extremadura (Spain), Forschungszentrum (IFF-FZ) Jülich (Germany), Pierre et Marie Curie (VI) (France), Yerevan (Armenia), Bar-Ilan (Israel)
